Who
We
Are

Your Growth'

Founded in Qatar in 2007 as a Marketing Communications service company

Dot Vision is a young company with great deal of cumulative experience. Our team consist of hard working individuals brilliantly able to conceptualize ideas under the supervision and management of the founder Mr. Kamel Makarem who has the experience and expertise in business development, marketing consultation and event management. Our team is comprised of some of the best and brightest in the field and holds an established reputation with a level of expertise which is second to none. We are cable of merging ideas, strategy and equipment to produce measurable

results and supply the “dot vision” experience to those seeking such professionalism.

We offer big-companies capabilities while maintaining the responsiveness, flexibility and enthusiasm, professional and punctual execution that our clients require. We are not simply a service provider Company; we work side by side with clients as partners to build value and awareness by capitalizing on their corporate assets.

Vision & Mission

Our Philosophy

Conceptualize the vision into a successful memory by being the ideal consultant and side by side partner durin our clients success.

- Building strong business relationships with our clients
- Work closely with clients (Brain storming & consultation)
- Maximize profitable growth through our services providing
- Understand client's profitable growth objectives and achieve it

For our clients it's about creating profitable growth, For us it is about fuel that growth by planning and executing high performance services in communications by using our philosophy standards.
